Revision "Test 2" page 21, 22

Child's Day Celebration

Dear Parents,

"As we believe in learning through fun"

Please note that Thursday 22nd of November, 2018 is the Child's Day event. Students are allowed to dress up and show off their crazy outfits (mismatched colours/ crazy socks/ far-out hats/ wacky hairstyles, etc....)

Liberate your child to pick and choose his/her own costume to enhance the sense of creativity and independence.

Students may bring food/ candies to join the dish-party and enjoy many different activities and games in the playground.

This is a regular school day, so please make sure they bring all their books, copybooks and materials needed according to their schedules. Hope they will all enjoy learning with a unique vibe.

N.B

Incase, your child has any sports certificate and medals please send them on Sundays, to be submitted to them in the morning lines on Mondays. Healthy minds are in healthy bodies.Keep the good work up 😊

Character building sessions are changed in some schedules that students received today.

For Presentational Skills
